STUDENT LIFE plays an important part of the social activities at NHS.

Capture NHS Life!

STUDENT LIFE! Just the thought of it brings to mind ... Because we spend most of our time at Northridge (approx. 7 hours a day WOW, thats a lot!), anything related to school can be considered "Student Life". The daily traffic and locker dilemma's (How many times does your locker open on the first try?), all of us experience these things. "Student Life" is where we share our common experiences, our special days, our happy moments, and our tragedies.

STUDENT LIFE REACHES BEYOND SCHOOL GROUNDS!

Even after the school day is done, students enjoy spending time with their friends. In a recent survey, NHS students were asked where they like to hang out. Students, the survey showed, enjoy many different types of activities. Pizza is our favorite food. Sixty-five percent of our students said that they preferred Pizza Hut pizza. For a burger and fries, Burger King came in first with 41%. The popular place to dance is the dance club Tippy's by 82%. Other activities that we found that students enjoy is cruising Elkhart, going to the mall, the movies, or hanging out at a friend's house.

LET'S RELAX! **Jen Utley, Gary Lehman, SueAnn Vonblon, Thad Stoner and Anthony Schrock** relax with Ronald McDonald on their way back from Stratford, Canada.

BEST FRIENDS! Glad to be seen together, **Kim Balser** and **Tim Fisel** pose for a picture.

Ski Club members were fortunate enough to have ski lift facilities, and they were glad, too, because skiing uphill is much harder than skiing downhill.

Once again, the Northridge Ski Club gathered on Wednesdays for some fun downhill skiing action at Swiss Valley. It looked as if the club was in trouble early in the season because of the late snow, but mother nature came to the rescue and turned the slopes into a winter wonderland.

Winter Semi-Formal

Students are often overcome with the mid-season blahs that are common between Christmas and Spring Break. This year the National Honor Society strategically planned it's winter semi-formal to help eliminate some of these blues.

Approximately ninety couples donned their best attire and enjoyed a romantic dinner before making their way to the 1992 semi-formal.

There was much planning and lots of hard work done by the National Honor Society dance committee before the leap day dance took place. The committee was chaired by Erica Horne and consisted of Amy Martin, Janae Martin, and Jodi Rychner. After approximately four hours of decorating on Saturday morning

and early afternoon, the dance committee as well as other National Honor Society members transformed our cafeteria into a ballroom of purple, black, and silver with cascading streamers and balloons. Members of NHS also provided cookies and punch to accent the refreshment table.

Music and entertainment were provided by guest DJ's Tom Pletcher and Matt Yeater who played a mix of everything from "2 Legit to Quit" by Hammer to "Save the Best for Last" by Vanessa Williams.

The entertainment, decorations, refreshments, and festive attire all combined for an exciting night filled with elegant ambience.

orthridge Homecoming is one of the most eagerly awaited events on the social calender, and this year was no exception. The homecoming candidates were selected, the floats were assembled. Then the big night came. "Raider Pride" was the was this year's theme for the float parades; the seniors took first place with their masterpiece entitled, "We're on a Roll".

Scott Miller and **Margaret Frey** were voted senior King and Queen; both were happy to oblige. Homecoming was preceded, as usual, by spirit week, which got everyone "pepped" for Friday night. The crowds gathered, the teams fought valiantly, and everybody had a good time.

"Unforgettable"

The Junior Class welcomed the Seniors to the 1992 Junior-Senior Prom held Saturday evening May twenty-third from eight o'clock until midnight. Together they celebrated the closing of their years at Northridge.

The attending couples danced to music provided by a D.J. Movie screens were setup to display music videos while participants danced. Most couples participated in the garter dance where the gentleman removed the lady's garter from her leg. The lady took the gentleman's bow tie. At 10:30 the 1992 Prom Senior King and Queen were crowned, followed by the crowning of the Junior royalty. Senior class colors are silver and powder blue; the class flower is an Ivory Rose; the class motto: "Dreams Are For A Moment, But Memories are Forever".

Four years ago the Raider football teams' future looked bleak. As freshmen, the football team won only one game. What a difference four years can make. This year's Raider football team started the season perfectly by winning their first four games. The Raiders were brought down to earth by the Northwood Panthers at the Homecoming Game. The Raiders ended the 1991 season with a 6-4 record that included a first round sectional victory over Lakeland 24-7. Offensive standouts for the Raiders were **Von Oxenrider** who made 116 catches for 1413 yards and scored 88 points during his career with the Raiders. And **Donald Seabolt** who stepped in for the injured Quarterback **Tyler Kindy** completed 34 of 73 passes for 471 yards and passed for 4 touchdowns. Defensively the Raiders were lead by **Chris Buck** who made 99 tackles and **Mark Frey** who achieved 47 tackles.

Through your hard work and dedication, you've reached a goal — graduation. Of course, there will be many more challenges to meet.

At Coachmen Industries we've reached goals made years ago, but still strive to reach those made yesterday. It's how we grow as a company.

So Good. So Fast. So Cheap.

These days, if food is good, it's not so fast. If it's fast, it's not so good. And if it's good and fast, it usually costs too much. At Hot 'n Now, we have a surprise for you. Food that's good and fast and cheap. It's not a new idea. It's an old idea most fast food places have forgotten. We just remembered, that's all.

Tammy Neice — author of a feature article "Janet's Truck" and creator of The Shield's "Cheerleading" page, Tammy plans to continue to use her photography and computer skills as a hobby. Tammy suggests that next year's staff "Be on time when turning in pages!"

Heather Miller — author of "Club President — Diane Shrock," editor of The Shield's Current Events pages, and producer of "Parents' Pages," Heather will continue to apply her talent at Bethel College's yearbook. Advice to next year's staff: "Stick with it!"

Amber Roadruck — Lance Editor — master of "Page Maker" — hopes to continue to apply her knowledge at Huntington college. A published poet, many students have read her contributions to The Lance. Amber fulfilled her layout requirements excellently with musical and play pages.

Amy Troyer — author of "Russia Trip, DA!" and producer of all band pages and the semi-formal dance pages in The Shield, Amy established a bookkeeping system for the Mass Comm class. Amy intends to keep using her photography and computer knowledge in her future activities.

Kim Wiesman — "Ask Kim" were two words heard every day. Author of "Top Ten Gifts" and responsible for the Business Pages in The Shield, Kim knew how to help everyone. Kim sold ads, Kim typed copy, Kim developed pictures, Kim wrote stories, and Kim helped everyone. Thanks, Kim!

Gloria Davila — author of articles "Boys' Tennis" and "Depression". An example of Gloria's excellent layout talent is found on the Shield Social Studies pages. Gloria plans to continue to write and apply her photography talent professionally.

Melinda Gruber: The Shield's basketball coverage was the responsibility of Melinda. Her skill in the selection and layout of photographs and copy are best seen there. Looking back, Melinda reported she most enjoyed the developing photographs.

Maggie Merchant — a leader in ad sales and author of "Loveway Volunteers". Maggie is most proud of her layout on Swim Teams. Maggie enjoyed photography and dark room work the most and plans to continue to use these skills.

Tom Pletcher — a photographer whose excellent photographs appear through The Shield, and an author of "Making A's" Tom enjoyed taking pictures of friends and laying out Ski Club pages. Tom warns the incoming staff not to fall in love with a rough draft — "it will be edited!"

Jeff Sibrt — Sports Editor — author of many sports articles and responsible for the excellent wrestling pages in The Shield. Jeff will continue to write sports articles for his college newspaper. Jeff suggests next year's staff "have things done on time!"

Linda Stahnke — Created "Seniors in Color!" Using difficult hand layout, Linda drew each page. She also kept her classmates up-to-date on fashion with articles for "The Lance." While graduates celebrated, Linda returned to include all your photos of graduation.
